### What is this type of insurance?

Pet Insurance can provide cover for many of the unexpected financial costs of owning a pet. However, its main purpose is to pay for unexpected vet bills and therefore it will only pay for the treatment of illnesses that started, or accidents that happened, after you took out the policy. Pet insurance will not pay for expected costs of pet ownership such as preventative treatment.

#### What is insured?

- ✓ Veterinary fees for an accident or illness occurring to your pet. Cover of up to a maximum of £3,000 per incident. Your policy will continue to pay for this treatment for up to 12 months from the incident first occurring.
- ✓ Third party liability cover in the event that someone is injured, killed or property damaged as a result of an incident involving your pet, for which you are legally liable. This benefit only applies to dogs. Cover of up to a maximum of £1m.
- ✓ Loss of your pet due to death by accident, illness, theft or straying. Cover of up to the purchase price to a maximum of £250.
- ✓ Reimbursement of advertising fees and reward costs in the event that your pet is stolen or goes missing. Cover of up to a maximum of £250 subject to proof of purchase.
- ✓ Boarding kennel or cattery fees in a licensed establishment in the event that you are hospitalised for a period exceeding four days. Cover of up to a maximum £750.
- ✓ Holiday cancellation up to £750 per policy period if you (as the policyholder) have to cancel your holiday in the event that your pet requires lifesaving surgery within seven days of departure.
- ✓ Access to a find a vet and pet minder help line.

#### What is not insured?

- ✗ Claims for any treatment received after the policy has expired or the maximum benefit has been reached.
- ✗ Claims for illness occurring within 14 days of policy inception date and accidents occurring within the first 72 hours of policy inception date.
- ✗ Pre-existing conditions or illness.
- ✗ The cost of dentistry unless the result of an accident.
- ✗ Costs arising from preventative and elective treatments, routine examinations, vaccinations, spaying, castration, pregnancy or giving birth.
- ✗ Fees for unapproved alternative and complementary medicines.
- ✗ Third party compensation payments to members of your family or persons permanently residing with you, or any person employed by you.
- ✗ Third party compensation payments for incidents occurring outside any European Union member of the Pet Travel Scheme (PETS).
- ✗ Cover for Boarding and Kennel Fees if related to any medical condition known at the time of inception of the policy that is likely to result in your hospitalisation or as a result of pregnancy, suicide, alcohol/drug abuse or self harm.
- ✗ Cover for Holiday Cancellation Costs is excluded if related to any pre-existing or foreseeable condition or disease likely to necessitate emergency life saving surgery. Any cost or expenditure for a holiday booked less than 28 days prior to departure is also excluded from cover.
- ✗ Any animal that is, or is crossed with an American Bulldog, Cane Corso, Pit Bull Terrier, Japanese Tosa, Dogo Argentino, Fila Brasileiro, Perro De Pressa Canario, Czechoslovakian Wolfdog, Saarloos Woofhound/Wolfdog, any wolf hybrid, or any animal registered under the UK government's Dangerous Dogs Act 1991 or any subsequent amendment.
